THE CORPORAL'S FATE.
The Best Surplus Buster's Omeial C
Cus Short.
There is good riddanes of bad
bish. Thanks to Secretary N
who left the President the altern
of accepting his resignation or consitions shows that the debt is been in increased by the great increase of expenses under Mr. Harrison. His policy, announced in his party platform and in his own inaugural, is to peoped the revenues in order to keep the taxes. The constant tendency in departments hanged on this policy is to exceed appropriations and create a defect. In the second month of the fiscal year the Administration has managed to interese the debt \$6.000.
